CONTEXT

The project aims to meet the identified by CAO Ispereh (Romania) need of solving the specific problems of students from the ethnic minorities in the territory of Ispereh Municipality. The identified specific problems in front of the students from the ethnic minorities are:

- ▶ Difficult adaptation to school because of low socioeconomic status and poor knowledge of Bulgarian language;
- ▶ Difficulties in learning of the school material;
- ▶ Irregular school attendance;
- ▶ Insufficient flexibility and lack of resources from the schools regarding educational forms able to keep those students at school;
- ▶ Ethnic and/or social status based discrimination;
- ▶ Not enough well prepared teachers' to work in the existing multiethnic environment;
- ▶ Low level of parental involvement in the educational process.
